# Personality

slightly reserved Extraversion
slightly sensitive Emotional Stability
neutral Agreeableness
slightly organized Conscientiousness

Vignesh is a thoughtful individual who is collaborative, trusting and works well in a team.He has a very optimistic attitude and has the ability to see the glass half full rather than half empty. He expects the best to happen even when there are challenges all around.He has a sunny disposition and a friendly attitude towards other people. He is usually polite and helpful and inspires a sense of comfort and steadiness in his team.. He is an efficient and productive person who is motivated by opportunities to gain knowledge, showing expertise, and quality work. He is a person who can be a little anxious sometimes but can be determined when needed but has an empathetic approach in general. Vignesh is a person who can sometimes be friendly but is a good listener, likes to help others,has an amicable nature. He is a good team player who likes to work collaboratively. He has the ability to be helpful to others when needed, accept feedback positively and act on it without taking it personally. He is primarily motivated by achieving results and has a very strong focus on
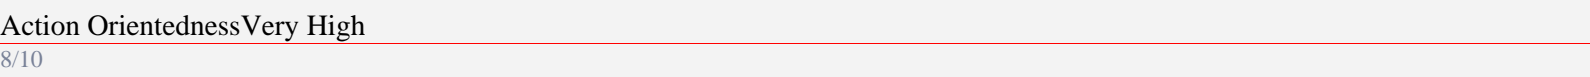

completing any task that he takes up.
